

**The Man Who
Named the Clouds**
by Julie Hannah
and Joan Holub
illustrated by Paige Billin-Frye

published by
Albert Whitman & Co.

Did you know
Luke Howard
named the clouds
cumulus, cirrus, stratus
and nimbus?

Isbn 0807549746 or 9780807549742

“...an excellent combination
of history and science,
sure to spark the interest
of future meteorologists.”
--Kirkus Reviews
